

Here at Moo we go to great lengths to ensure you receive the very best every time you visit.

All our meat is locally sourced, our seafood is from sustainable fishing areas and our poultry is all free range. Our fillet, sirloin and rib eye steaks have been lovingly dry age matured for 28 days. Our meat is then smothered in our secret Moo baste and cooked to perfection on our barbecue grill.

Every item on our menu is lovingly prepared by our team of talented chefs, for an around-the-world dining experience that you'll love.

Our chips are thrice cooked, which locks in the flavour and fluffy texture whilst the outside remains crisp & light.
